Experience

Sutter Health

Mar. 2011 – Present

Lean Consultant, (Bay Area, CA)

Apr. 2014 – Present

- Managed team of 4-6 in development of the Sutter standard – including templates and tools – for planning and running Lean Improvement Events
- Increased cases per week by 15 to 20 and contribution margin by \$550,000 to \$730,000 for GI services
- Trained operational employees to independently run successful process improvement events
- Led team of 7 staff members in the design of supply chain workflows for new special procedures department at the Sutter Maternity and Surgery Center
- Coached executive leadership in creation of the five-year strategic plans for the Sutter Maternity and Surgery Center and California Pacific Medical Center's surgical services department

Associate Lean Consultant, (Bay Area, CA)

Mar. 2011 – Apr. 2014

- Planned, executed, and facilitated over 100 process improvement events in surgical services, primary care, physician contracting, revenue cycle, maternity services, and inpatient services – leading teams of 6-20 staff
- Developed and led structured training program for 362 surgical services staff for the hospital wide Electronic Health Record (EPIC) "Go-Live"
- Increased charge capture for surgery by \$130,000 per month by decreasing defect rate from 41% to 2%
- Facilitated standardization of 19 high volume surgical procedures resulting in \$460,000 of annual savings
- Increased surgery on-time starts from 20% to 79%, decreased supply defects for operating room cases from 100% to 2%, reduced inventory by \$220,000, and decreased surgery room turnaround by 24%
- Led teams of 6-12 nurses to revamp 53 medication rooms, for 70% of projected cost, resulting in workspaces 100% compliant with government regulations
- Created house-wide toolkit for 5S visual management that spawned over 40 independently run events

Aramark Healthcare

May 2009 – Mar. 2011

Supervisor Supply Chain, Sutter Health (San Francisco, CA)

Nov. 2010 – Mar. 2011

- Supervised 20 employees spanning two hospital campuses
- Identified and resolved supply chain related issues involving staff, medical units, and vendors
- Centralized shipping for four hospital campuses

Project Coordinator Supply Chain, Sutter Health (San Francisco, CA)

Jan. 2010 – Nov. 2010

- Managed and upgraded surplus warehouse (furniture / medical equipment) with an online ordering system saving \$125,000 and selling \$25,000 of excess medical equipment
- Led teams of 2-5 employees in medical equipment refurbishing project saving \$167,000 while increasing the ROI of the process by 400%

Assistant Director Food and Housekeeping, Exempla & BCH (Denver & Boulder, CO)

May 2009 – Jan. 2010

- Trained managers and supervisors in all facets of ARAMARK inventory and recipe control while focusing on both fiscal and patient service improvements
- Facilitated the implementation of ARAMARK's inventory and recipe system to prepare for upgrade
- Revamped storage areas to reduce waste, decrease costs, and increase efficiency
- Maximized efficiencies in Housekeeping by using bed boards and improving cleaning regimens
